SAFEGUARDING DEFINITION:

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as:

- Protecting children from maltreatment;
- Preventing impairment of children’s health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes
 [*\(“ Working Together to Safeguarding Children” DfE 2015\)*](#)

Child Protection is a part of Safeguarding and promoting welfare. It refers to the activity that is undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.

RATIONALE:

At *Willoughby School* we recognise the responsibility we have under Section 175 (LA Schools)/157 (academies and Independent Schools) of the Education and Inspections Act 2002, to have arrangements for safeguarding and promoting the welfare of children. The Governing Body approve the S175/157 return to the LA on a yearly basis. This policy demonstrates the schools commitment and compliance with safeguarding legislation. Through their day-to-day contact with pupils and direct work with families, staff at our school have a crucial role to play in noticing indicators of possible abuse or neglect and referring them to Children’s Services (in Lincolnshire or neighbouring authorities dependent upon the child’s area of residence). This also involves understanding serious case reviews and how to improve practice to prevent children from falling through the gaps.

PURPOSE:

The purpose of the policy is to ensure that:

- The welfare of the child is paramount.
- All children regardless of age, gender, ability, culture, race, language, religion or sexual identity have equal rights to protection
- All staff have an equal responsibility to act on suspicion or disclosure that may suggest a child is at risk of harm.
- Pupils and staff involved in Safeguarding issues receive appropriate support.
- Staff adhere to a Code of Conduct and understand what to do if a child discloses any allegations against teaching staff, Head teacher or the Governing Body.

The procedures contained in this policy apply to all staff, volunteers, sessional workers, students, agency staff or anyone working on behalf of Willoughby School.

They are consistent with Lincolnshire Local Safeguarding Children's board (LSCB) multi-agency child protection procedures. www.lincolnshire.gov.uk/lscb

TERMINOLOGY:

Safeguarding and promoting the welfare of children refers to the process of protecting children from maltreatment, preventing the impairment of children's health or development, ensuring that children are growing up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best life chances.

Child Protection refers to the activity undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.

Staff refers to all those working for or on behalf of the School in either a paid or voluntary capacity.

Child refers to all young people who have not yet reached the age of 18.

Parent refers to birth parents and other adults who are in a parenting role – step-parents, foster parents, carers and adoptive parents.

CONTENTS

There are 4 main elements to the Policy:

- 1 Prevention – through the curriculum and pastoral support offered to pupils and through the creation and maintenance of a whole school protective ethos.
- 2 Procedures – for identifying and reporting cases, or suspected cases of abuse.
- 3 Support to children – who may have been abused.
- 4 Preventing unsuitable people working with children – by following the DfE guidance in 'Keeping Children Safe in Education' July 2015 together with the school's individual procedures.

1 PREVENTION

The school will establish an ethos where:

- Children feel secure in a safe environment in which they can learn and develop
- Children know that there are adults in the school whom they can approach if worried or in difficulty.

- Adequate signposting to external sources of support and advice is in place for staff, parents and pupils including, staff noticeboard, regular training and safeguarding noticeboard.

Policies in hardcopy in staffroom and available on G:staffonly/policies/...

(Child Protection/Safeguarding, Whistleblowing, Code of Conduct)

- Importance and prioritisation is given to equipping the children with the skills needed to stay safe; including providing opportunities for Personal, Social and Health Education throughout the curriculum.
- Children develop realistic attitudes to their responsibilities in adult life and are equipped with the skills needed to keep themselves safe; including understanding and recognition of healthy/unhealthy relationships and support available
- Children are supported in recognising and managing risks in different situations, including on the internet, being able to judge what kind of physical contact is acceptable and unacceptable, recognising when pressure from others, including people they know, threatens their personal safety and well-being and supporting them in developing effective ways of resisting pressure.
- All adults feel comfortable and supported to draw safeguarding issues to the attention of the Head Teacher and/or the Designated Safeguarding Lead and are able to pose safeguarding questions with "respectful uncertainty" as part of their shared responsibility to safeguard children 'Think the unthinkable' [Keeping Children Safe, July 2015](#).
- Emerging themes are proactively addressed and fed back to the local authority and LSCB to ensure a coherent approach so that multi-agency awareness and strategies are developed.
- There is a proactive approach to substance misuse.
- Support and planning for young people in custody and their resettlement back into the school community is undertaken, where necessary, as part of our inclusive approach
- It works in accordance with '[Working Together to Safeguard Children 2015](#)' and supports the Lincolnshire Local Safeguarding Children Board (LSCB) Continuum of Need (see Appendix 2) to ensure children and young people receive the most appropriate referral and access provision; actively supporting multi agency planning for those children and, in doing so, providing information about the 'voice of the child' and the child's lived experience as evidenced by observations or information provided through the multi-agency forum.
- Our school's arrangements for consulting with, listening and responding to pupils are *School Council, Governor class links, regularly talking to each pupil through PSHE Sessions and Standalone PSHE days.*

There is a commitment to the continuous development of staff with regard to safeguarding training:

- All staff follow the LSCB 5 year training pathway (see Appendix 6) and receive a safeguarding update as part of their induction, to enable them to understand and fulfil their safeguarding responsibilities effectively.
- The Designated Lead also follows the LSCB 5 year training pathway and attends the LSCB Inter-Agency Safeguarding training.
- The Designated Safeguarding Lead, and/or Deputy attend the briefings for Designated Safeguarding Leads coordinated by the Safeguarding in Schools Team, therefore enabling them to remain up to date with Safeguarding practices and be aware of any emerging concerns/themes emerging with Lincolnshire. The expectation is that the Designated Lead will attend at least 2 briefings per academic year.

2 EARLY IDENTIFICATION RECOGNISING AND RESPONDING TO SAFEGUARDING NEEDS

- 2.1 The school acknowledges serious case review findings and shares lessons learned with all staff with the aim to ensure no child falls through the gap.

2.2 All staff understand the '[Meeting the Needs of Children in Lincolnshire](#)' procedures and know how to pass on any concerns no matter how trivial they seem. They are consistent with Lincolnshire's Local Safeguarding Children's (LSCB) child protection procedures.

2.3 The school knows how to identify and respond to:
Signs/symptoms of any type of abuse, e.g. Physical, Sexual, Emotional

- Neglect
- Drug/substance/alcohol misuse (both pupil and parent)
- Child sexual exploitation / trafficked children
- Children missing education
- Domestic abuse
- Peer relationship abuse
- Risky behaviours including concerns around extremism/radicalisation
- Sexual health needs
- Obesity/malnutrition
- Inclusion and diversity including SEND, HIV, LGBT pupils
- On line grooming – [E Safety Advice here](#)
- Inappropriate behaviour of staff towards children
- Bullying, including homophobic, racist, gender and disability. Breaches of the Equality Act 2010.
- Self Harm
- Female Genital Mutilation
- Forced Marriage
- Unaccompanied asylum seeking children

2.4 School staff contribute to assessments along the '*Continuum of Need*' (see Appendix 2) and actively support multi agency planning for those children. Staff have an understanding of the *Framework of Assessment of Need* (see below) and make decisions based on a child's development needs, parenting capacity and family & environmental factors.

2.5 Early Help

Early Help is the term used to describe arrangements and services that identify the need for help for children and families as soon as the problems start to emerge, or when there is a strong likelihood that problems will emerge in the future. [Working Together to Safeguard Children \(2015\)](#) identifies the critical features of effective Early Help as: 'A multi-disciplinary approach that brings a range of:

- Practice that empowers families and helps them to develop the capacity to resolve their own professional skills and expertise through a "Team around the Child" approach.
- A relationship with a trusted lead professional who can engage with the child and their family, and coordinate the support needed from other agencies
- A holistic approach that addresses the children's needs in the wider family context
- Simple, streamlined referral and assessment process
- Early Help in Lincolnshire includes both the TAC and ESCO process. Signs of Safety is embedded throughout. ESCO is similar to the TAC process but specifically supports the care
- coordination of Children with Disabilities (CWD) Further information can
- be seen at www.lincolnshire.gov.uk/ESCO All forms and guidance for Early Help including Signs of Safety, TAC Handbook, TAC Consultants contact details etc. are available at www.lincolnshirechildren.net

2.6 What is Team Around the Child (TAC)?

TAC is a shared assessment and planning framework which is in use by a variety of agencies across the county and is employed in similar format throughout the country. It aims to help with the early identification of additional needs of children and young people and promote a co-

ordinated multi agency response to meet them. TAC can be used to support children and young people between 0–19 years, including unborn babies and can also be used with consent up to the age of 24 where a young person has a learning difficulty or disability. There are four main stages in setting up a TAC:

- Early identification of needs
- Assessing strengths and needs in a consistent and methodical framework
- Developing and delivering an integrated services
- Reviewing and refining the support arrangements

2.7 **Support and Guidance Available:** Please refer also to the LSCB Website and publications (Particularly '[Meeting the Needs of Children in Lincolnshire](#)') at www.lincolnshire.gov.uk/lscb. In addition the following staff are available to support professionals;

Early Help Advisors are available to support professionals. These advisors are based within Customer Service Centre (01522 782111). They offer consultations to professionals for new cases where practitioners need some advice or guidance. The Advisors are qualified social workers who will advise on all levels of safeguarding and thresholds.

Early Help Consultants provide support, advice and guidance to lead professionals on existing TAC Cases. They will use Signs of Safety methodology to map and/or quality assure cases in order to secure improved outcomes for children, young people and their families. Contact via your local TAC Co-ordinator in your locality.

TAC Administrators provide administrative support, maintain records, monitor processes, and can signpost professionals to local services.

Further Support for Schools and Academies In addition to the support outlined above, and academies can request case supervision for all TAC cases where the Lead Professional is employed in an educational setting. For these cases administrative support can be also be requested in the form of arranging meetings and typing of assessments and plans. This support can be accessed via the Request Forms at www.lincolnshirechildren.net/tac

2.8 The **designated safeguarding lead** acts as the focal point for all matters concerning child protection and safeguarding children and young people. One of the primary tasks is to act as the contact between school, the family and other agencies. Incidents of possible child abuse obviously need to be handled with sensitivity and confidentiality consistent with the multi-disciplinary approach. If there is any cause for concern whatsoever it is vital that information is passed to the **designated safeguarding lead** immediately. In the event, following statutory investigation, of concerns proving to be unfounded, staff should not reproach themselves for having raised the issue. In cases of this nature it is always better to be safe than sorry.

3 PROCEDURES AND RECORD-KEEPING

Willoughby School will follow Lincolnshire's safeguarding procedures with reference to Lincolnshire's LSCB "Managing Individual Cases where there are Concerns about a Child's Safety and Welfare" ([section 4 of LSCB Inter-Agency procedures](#)).

The recording procedure is to complete a 'Concerns form or body map and any additional information passing these confidentially and promptly to the safeguarding lead or deputy. In accordance with the L.S.C.B. guidance.

Body maps, concerns form, discussion logs, telephone call logs to parents and /or other professionals are held in electronic format by ABr.

The school will ensure that:

3.1 Safeguarding information including Child Protection information is stored and handled in line with the principles of the Data Protection Act 1998 ensuring that information is:

- used fairly and lawfully
 - for limited, specifically stated purposes
 - used in a way that is adequate, relevant and not excessive
 - accurate
 - kept for no longer than necessary
 - handled according to people's data protection rights
 - kept safe and secure.
- 3.2 Any concerns about a child will be recorded in writing within 24 hours. All records will provide a factual, evidence-based account. Timely, accurate recording of every episode/incident/concern/activity/actions will be made including telephone calls to other professionals. Records will be signed, dated and where appropriate, witnessed.
- 3.3 Hard copies of records or reports relating to Safeguarding and Child Protection concerns will be kept in a separate, confidential file, securely stored away from the main pupil file. Authorisation to access these electronic records will be controlled by the Headteacher and Designated Safeguarding Lead.
- 3.4 There is always a Designated Safeguarding Lead (DSL) available who has the necessary seniority and skills, undertakes appropriate Safeguarding training, and is given the time to carry out this important role.
- 3.5 The Policy is updated annually and that changes are made in line with any new DfE guidance.
- 3.6 In the case of child protection referral or serious injury the DSL will contact Lincolnshire Customer Service Centre without delay to report concerns and seek medical attention as necessary.
- 3.7 Staff must report any concerns about adults who work with children or young people to the headteacher or to the Chair of Governors in the event of an allegation of abuse made against the headteacher. The Head or Chair must seek advice from the Local Authority Designated Officer(s) (LADO) (see Appendix 1 and Section 3 of Keeping Children Safe in Education September 2016) The Emergency Duty Team should be contacted outside normal working hours 01522 782333.
- 3.8 In the case of poorly explained serious injuries or where behaviour or concerns arouse suspicion if in any doubt the Designated Safeguarding Lead should consult with Lincolnshire Children's Services Customer Service Centre and seek advice from the Early Help Advisors.
- 3.9 The DSL will keep written, signed and dated records detailing any allegation and action taken as near to the time of disclosure as possible even when no investigation is undertaken; following up any verbal referral in writing within 24 hours.
- 3.10 Conversations with a child who discloses abuse should follow the basic principles:
- listen rather than directly question, remain calm
 - never stop a child who is recalling significant events
 - make a record of discussion to include time, place, persons present and what was said (child language – do not substitute words)
 - advise you will have to pass the information on
 - avoid coaching/prompting
 - never take photographs of any injury
 - allow time and provide a safe haven / quiet area for future support meetings
 - At no time promise confidentiality to a child or adult.

4 ROLES AND RESPONSIBILITIES

The school will ensure that every member of staff and person working on behalf of the School:

- 4.1 Knows the name of the Designated Safeguarding Lead (DSL) and his/her role and responsibility.
- 4.2 Has an individual responsibility to refer Safeguarding (Child Protection) concerns.
- 4.3 Will receive training at the point of induction and at regular intervals so that they know:
 - their personal responsibility / code of conduct / teaching standards
 - LSCB child protection procedures and how to access them
 - the need to be vigilant in identifying cases of abuse at the earliest opportunity
 - how to support and respond to a child who discloses significant harm
- 4.4 Knows their duty concerning unsafe practices in regard to children by a colleague.
- 4.5 The Designated Safeguarding Lead (DSL) will disclose any information about a pupil to other members of staff on a need to know basis.
- 4.6 The school will undertake appropriate discussion with parents prior to involvement with other agencies unless the circumstances preclude this.

 - there is an unexplained absence of a pupil on a CPP of more than 2 days or 1 day following a weekend, or as agreed as part of a CPP.
- 4.12 Follow Lincolnshire's policy and statutory guidance on Children Missing Education (CME).

5 SUPPORTING PUPILS AT RISK

- 5.1 The school will endeavour to support vulnerable pupils through:
 - Its ethos, which promotes a positive, supportive and secure environment; giving pupils a sense of being valued.
 - Its behaviour policy aimed at supporting vulnerable pupils in school. All staff will agree a consistent approach, which focuses on the behaviour of the offence committed by the child; working to support children in developing positive behaviour.
 - Liaison with other appropriate agencies, which support the pupil.
 - Developing supportive relationships.
 - Recognition that children living in difficult home environments are vulnerable and are in need of support and protection.

- Monitoring pupil welfare, keeping accurate records and notifying appropriate agencies when necessary.
- Allowing designated staff opportunity to attend face-to-face Safeguarding in Schools briefings/ LSCB multi-agency training. (For example Prevent, Child Sexual Exploitation guidance, domestic violence, drugs / alcohol substance misuse etc.)
- Ensuring information is transferred safely and securely when a pupil with a Safeguarding Record transfers to another school. Also notifying Key workers or social workers where a child leaves the school (as appropriate)
- Following Lincolnshire's procedures for [Child Sexual Exploitation](#) including using the CSE Risk Assessment Toolkit as necessary.

6 EXTREMISM AND RADICALISATION

- 6.1 *Willoughby School* seeks to protect children and young people against the messages of all violent extremism including, but not restricted to, those linked to Islamist ideology, or to Far Right / Neo Nazi / White Supremacist ideology, Irish Nationalist and Loyalist paramilitary groups, and extremist Animal Rights movements.

The current threat from terrorism in the United Kingdom may include the exploitation of vulnerable people, to involve them in terrorism or in activity in support of terrorism. The normalisation of extreme views may also make children and young people vulnerable to future manipulation and exploitation.

Willoughby School is clear that this exploitation and radicalisation should be viewed as a safeguarding concern.

Prevention work and reductions of risks will include the RE curriculum, SEND policy, assembly policy, the use of school premises by external agencies, integration of pupils by gender and SEN, anti-bullying policy and other issues specific to the school's profile, community and philosophy"

This school adheres to the [Prevent Duty Guidance for England and Wales](#) July 2015

6.2 Risk assessment

Settings need to assess the risk, with local partners, of their children being drawn into terrorism, as well as their support for extremist ideas and terrorist ideology. They should have robust safeguarding policies to identify children at risk, appropriate intervention and the most appropriate referral option. The policy should also cover the suitability of visiting speakers.

Police in all regions are expected to produce a Counter-Terrorism local profile (CTLPs) which is to assess the risk of individuals being drawn into terrorism and is the risk assessment that settings need to refer to. The Lincolnshire profile is currently being amended and further support can be provided by contacting prevent@lincs.pnn.police.uk

6.3 Working in Partnership

Lincolnshire settings are required to ensure that their safeguarding arrangements take into account [policies and procedures of Lincolnshire Safeguarding Children Board](#)

The key aim of the [PREVENT strategy in Lincolnshire](#) is:

To help local authorities, police, community safety partnerships and other partners and partnerships to develop and implement effective actions, which will make their communities safer. This will reduce the risk from terrorism and violent extremism, so that the people of Lincolnshire can go about their business freely and with confidence.

Experience has shown that the best results are achieved by:

- Partnership working and community engagement
- Understanding the challenge and its context
- Developing an effective action plan
- Managing risk
- Tracking progress and evaluating success
- Sharing learning

Lincolnshire has a PREVENT steering board which provides the strategic direction and is attended by a variety of partners including Education.

The CHANNEL panel is the operational group for Lincolnshire and has multi-agency representation.

Staff training

Settings should ensure that their staff are equipped to identify children at risk of being drawn into terrorism, as well as challenge extremist ideas. They should know how to refer children and young people for further help.

All staff can undertake PREVENT e-learning via the [LSCB website](#). Face to face learning is available to book via the [Stay Safe partnership website](#).

IT policies

Settings are expected to ensure that children are safe from online terrorist and extremist material, typically via appropriate levels of filtering.

Settings can require pupils and staff to abide by acceptable user policies which make clear that accessing such sites is unacceptable. Using school equipment to send terrorist publications to others would be a criminal offence.

Monitoring and enforcement

Ofsted inspectors will assess the settings approach to keeping children safe from the dangers of radicalisation and extremism and what is done when the setting suspects that pupils are vulnerable to these threats. If a setting is considered to be failing in this regard or if their staff or children's safety is threatened, maintained schools will be subject to intervention and academies or free schools may be subject to termination of funding. For independent schools in England or Wales, they must remedy any failing or be subject to regulatory action. Early years settings are also covered by this monitoring provision.

Wider issues to consider:

These are some further areas to consider in implementing the prevent agenda:

- Settings are required to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance for those with different faiths and beliefs.
- Curriculum including a balanced Religious Education, Personal Social and Health Education etc.

EMTET is the Ethnic Minority and Traveller Education Team who can support settings by working with individuals who are victims of racism or are perpetrators of racism or have racist views. In addition they can sign post settings to other organisations which will be able to support with other similar issues. EMTET contact details are 01427 787190, www.lincolnshire.gov.uk/emtet

7 SAFER RECRUITMENT AND PROFESSIONAL BOUNDARIES

The school pays full regard to DfE guidance '[Keeping Children Safe in Education](#)' September 2016 and with reference to the 'Position of Trust' offence (Sexual Offences Act 2003). We ensure that all appropriate measures are applied in relation to everyone who works in the school who is likely to be perceived by the children as a safe and trustworthy adult. We do this by:

- 7.1 Operating safer recruitment practices including appropriate Disclosure and Barring Service (DBS) and reference checks, verifying identity academic and vocational qualifications, obtaining professional references, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and checking the Children's List and right to work in England checks in accordance with DBS and Department for Education procedures.
- 7.2 Ensuring that staff and volunteers adhere to a published code of conduct and other professional standards at all times, including after school activities. Staff are aware of social media/ on-line conduct.
- 7.3 Ensuring any disciplinary proceedings against staff related to Child Protection matters are concluded in full in accordance with Government guidance "Keeping Children Safe in Education 2016" and LSCB, LADO and HR Policy, procedures and guidance.

- 7.5 Establishing adequate risk assessments are in place including for extended school, volunteer and holiday activities prior to events taking place.
- 7.6 Supporting staff confidence to report misconduct.
- 7.7 At least one member of every recruitment panel has completed Safer Recruitment training within the last 5 years. At least one person in school should have completed the LSCB face to face Safer Recruitment within the last 5 years. E-learning is also available. Training is available to book at www.lincolnshire.gov.uk/lscb (click 'Training')

8 GOVERNING BODY RESPONSIBILITIES

The Governing Body fully recognises its responsibilities with regard to Safeguarding and promoting the welfare of children in accordance with Government guidance.

The Governing Body have agreed processes which allow them to monitor and ensure that the school:

- 8.7 Carries out an annual review of the Safeguarding policy and procedures.
- 8.8 Carries out an annual Safeguarding Audit in consultation with the Governing body, sharing this with the LSCB/Safeguarding in Schools team on request. Support available with this via safeguardingschools@lincolnshire.gov.uk

Physical Abuse

A form of abuse which may involve:

- Hitting, shaking, throwing, poisoning, burning, scalding, drowning, suffocating, or otherwise causing physical harm to a child.
- Physical harm may also be caused when a parent or carer feigns the symptoms of, or deliberately induces illness in a child.
- Injuries in babies and non-mobile children

Symptoms of Abuse

Receiving Disclosures:

Receive

- Listen, try not to look shocked or be judgmental
- Believe what they say 'take it seriously'.
- Accept what the young person says.
- Don't make them feel bad by saying "you should have told me earlier"
- Don't 'interrogate' them – let them tell you, try not to interrupt
- Note the date and time, what was done, who did it, and where it took place
- Use the young person's own words
- Don't criticise the perpetrator
- Don't take photographs of any injuries
- Don't ask leading questions – use 'open' questions to clarify only (T.E.D)

Tell me what you mean by that?/ Can you Tell me how that happened?

Explain that to me

Describe that....

**Reassure**

- Stay calm, tell the young person they've done the right thing in telling you
- Reassure them they are not to blame
- Empathise – don't tell them how they should be feeling
- Don't promise confidentiality, explain who needs to know
- Explain what you'll do next
- Be honest about what you can do

Report and Record

- Make a Brief, accurate, timely and factual record
- Discuss with the Designated Safeguarding Lead (DSL) or their Deputy, without delay
- The Designated Safeguarding Lead will assess the situation and decide on the next steps

Things to include:

- Time and full date of disclosure/incident and the time and full date the record was made
- An accurate record of what was said or seen
- Whether it is 1st or 2nd hand information
- Whether the child was seen/spoken to
- Whether information is fact/ professional judgement
- Full names and roles/status of anyone identified in the report
- Avoid acronyms/jargon/abbreviations
- Sign the record with a legible signature.
- Record actions agreed with/by the Designated Lead

Records should be reviewed regularly and any new concerns should be added and responded to immediately.

The statutory guidance, 'Keeping Children Safe in Education 2016, states 'All staff members should be aware of systems within their school or college which support safeguarding and these should be explained to them as part of staff induction. This includes: the school's or college's child protection policy; the school's or college's staff behaviour policy (sometimes called a code of conduct); and the role of the designated safeguarding lead. All staff members should also receive appropriate child protection training which is regularly updated. '

Lincolnshire Safeguarding Children Board (LSCB) & Lincolnshire County Council agree that best practice would be for all staff to undertake **annual** safeguarding training, based on the LSCB 5 year training pathway which is available at www.lincolnshire.gov.uk/lscb. Some staff find the pathway a little confusing so please see a simplified version below.

5 Year Cycle Training Pathway Example for Designated Safeguarding Leads (DSL)	
Year 1	Complete 'Awareness of Child Abuse & Neglect Foundation' E-Learning and LSCB 2 day 'Inter-Agency Safeguarding Children & Young People' face to face course in the locality of your setting.
Year 2	Complete another Safeguarding course, e.g. PREVENT
Year 3	Complete Safeguarding Children Refresher training. This could be the LSCB E-learning
Year 4	Complete another Safeguarding course, e.g. Awareness of Domestic Abuse
Year 5	Complete another Safeguarding course, e.g. Keeping Children Safe in a Digital World

5 Year Cycle Training Pathway Example for all other members of staff	
Year 1	Complete Basic Awareness Safeguarding training. This may be the Safeguarding in Schools 'Training Package' which is updated annually, delivered by the DSL or a DSL from a partner school. The package may be presented in one longer session or completed over several sessions. The LSCB 'Awareness of Child Abuse & Neglect Foundation E-Learning' is a suitable alternative, however, please note that if the E-Learning is being undertaken, staff MUST be made aware of safeguarding procedures and policies specific to your setting, including safer working practices and procedures for reporting concerns about adults who work with children and young people.
Year 2	Complete another safeguarding course/session, e.g. PREVENT. This may be face to face/e-learning or attending an in-house session.
Year 3	Complete a Safeguarding Children Refresher course. This could be a refresh of one or more of the sections of the 'Training Package' or the LSCB 'Safeguarding Children Refresher training' E-Learning.
Year 4	Complete another safeguarding course. This may be face to face/e-learning or attending an in-house session.
Year 5	Complete another safeguarding course. This may be face to face/e-learning or attending an in-house session.

Schools should plan the 5 year pathway carefully, taking into consideration any gaps in staff knowledge, updates to statutory guidance documents and the needs of the children and young people in the setting and community. Always keep accurate records of staff safeguarding updates on a spreadsheet and remember to keep a central copy of any evidence of training, e.g. certificates.

The 'Training Package' is available on request by emailing safeguardinginschools@lincolnshire.gov.uk. The Training Package contains a Trainer Manual, delegate workbook, PowerPoint presentation and training notes along with certificate templates.

Willoughby School is committed to providing a secure environment for pupils, where children feel safe and are kept safe. All adults in our school recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

The ethos of Prevent is working in partnership with the community ensuring that everyone works together to prevent people being drawn into terrorism, including parents, schools, other settings, governors and the wider community. Prevent is about early intervention and encouraging a free conversation to be had regarding difficult topics.

Lincolnshire is currently a low risk area in terms of terrorist acts and radicalisation but it is important that we remain vigilant in our approach to supporting vulnerable young people. As part of the Prevent strategy, Lincolnshire considers the risks of all extreme activity including that of faith based extremism, the extreme right wing ideology and all other forms of extremism.

Definitions and indicators

Radicalisation - Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

Extremism - Extremism' is defined in the 2011 Prevent strategy as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. The definition of extremism also includes calls for the death of members of the British armed forces, whether in this country or overseas.

Terrorism - Terrorism is an action that endangers or causes serious violence to another person.

Radicalisation is a form of grooming and therefore abuse. Example indicators that could suggest an individual is engaged with an extremist group, cause or ideology could include as below:

- Changing their style of dress or personal appearance to accord with the group.
- Self- segregation
- Day-to-day behaviour becoming increasingly centred on an extremist ideology, group or cause.
- Loss of interest in other friends and activities not associated with the extremist ideology, group or cause.
- Possession of materials or symbols associated with an extremist cause.
- Attempts to recruit others to the group/cause.
- Communications with others that suggests identification with a group, cause or ideology of concern
- Using insulting and/or derogatory names for another group.
- Increase in prejudice-related incidents committed by that person – these may include;
 - physical or verbal assault
 - provocative behaviour
 - damage to property

- o derogatory name calling
- o possession of prejudice-related materials
- o prejudice related ridicule or name calling
- o inappropriate forms of address
- o refusal to co-operate
- o attempts to recruit to prejudice-related organisations
- o condoning or supporting violence towards others.

Procedures for referrals

At Willoughby School, we follow our usual Early Help and safeguarding processes in the first instance. If through completing an Early Help Assessment with the child and family we identify or are concerned about radicalisation then a channel referral form will be completed.

Early intervention is vital and any concerns, no matter how small must be referred to **CHANNEL using the referral form in appendix 1 or send an email to channel@lincs.pnn.police.uk**

CHANNEL is a key element of the Prevent strategy. It is a multi-agency approach to protect people at risk from radicalisation. Channel uses existing collaboration between local authorities, statutory partners, the police and the local community to:

- identify individuals at risk of being drawn into terrorism.
- assess the nature and extent of that risk; and
- develop the most appropriate support plan for the individuals concerned.

Channel is about safeguarding children and adults from being drawn into committing terrorist-related activity.

It is about early intervention to protect and divert people away from the risk they face before illegality occurs.

If you suspect a criminal offence has taken place or a child is at immediate harm you must contact the police on 101 or in an emergency 999.

Settings have a responsibility to communicate with the prevent team to ensure they have the latest information and are liaising with the appropriate agencies.

The role of governors, leaders and staff

At Willoughby School the named personnel with designated responsibility in relation to radicalisation and extremism are:

Designated Safeguarding Lead	Deputy Designated Safeguarding Lead	Safeguarding Governor
James Husbands	Amanda Brooks	Andrew Hancy

The named personnel with Designated Responsibility regarding allegations against staff are:

Designated Senior Manager (Headteacher)	Deputy Designated Senior Manager (School Business Manager)	Chair of Governors (in the event of an allegation against the Headteacher)
James Husbands	Sally Fox	Andrew Hancy

Allegations against staff in the setting. Any concerns regarding members of staff must also be reported to the Local Authority Designated Officers (LADO) Anne Faulkner 01522 554674 or Ursula Morton 01522 554674

All staff understand that everyone is responsible for the safeguarding of children and are aware of the school's recording and reporting procedures.

The role of the curriculum

Willoughby School promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance for those with different faiths and beliefs. This is achieved by providing a broad and balanced Curriculum including, Religious Education and Personal Social and Health Education. Pupils are fully supervised when using the internet and are taught how to stay safe where appropriate. Access to extremist material s managed through robust IT and social media policies.

Staff Training

The Designated Safeguarding Lead has completed the '*Understanding the Pathways to Extremism and the PREVENT Programme*' online training, via the [LSCB website](#).

The Designated Safeguarding Lead attends multi agency safeguarding briefing sessions for updates. The Designated Safeguarding Lead and Deputy Designated Safeguarding Lead receive regular correspondence containing updates, which are communicated via the e-courier.

Willoughby School ensures that all staff are equipped to identify children at risk of being drawn into terrorism. Staff have received in house training, delivered by the Designated Safeguarding lead. They know how to refer children and young people for further help. Through in house training they understand the subject and know how to deal with issues in a proportionate manner. Staff receive regular updates and annual training on matters concerning the safeguarding of children and young people.

All records of training including certificates and staff registers are kept up to date and stored securely in the school office.

Visitors to school premises

All visitors to Willoughby School are expected to provide appropriate methods of identification. They must sign in and present their identification upon arrival at Reception. All members of staff, visiting professionals and volunteers undergo Disclosure and Barring Service (DBS) checks before they are permitted to have contact with the pupils. All staff members and volunteers are expected to read and understand the Child Protection and Safeguarding Policy. New staff members and volunteers receive a safeguarding induction with the Designated Safeguarding Lead or the Deputy Designated Safeguarding Lead. Volunteers are supervised at all times when in contact with pupils.
